This was soooo hard for me to do. My skin was horrible when we were on vacation (I kept getting little blister like bumps in TN), after 1 week of Youth it looked a lot better but I still didn't want to be seen without makeup. Now after 2 weeks my face is clearer, I haven't had any breakouts, my skin is hydrated and I swear my melasma (skin discoloration) is lighter. I can't wait to see what 4, 6, and 8 weeks look like!
